ADVANCED ACADEMY 2012 COURSE SCHEDULE

3-Day Contemporary Cutting Foundations

Experience the soul of haircutting and discover the foundations for combining and creating cuts your guests will love. Our unique approach lets you improve your skills at your own pace, one haircut at a time. Get inspired with confidence and excited about your future as you delve into the principles of hair design, dynamics of shape design, and mechanics of consistency.

| | |
|---------------|------------------------------|
| January 22-24 | Orlando, FL |
| March 25-27 | Costa Mesa, CA |
| June 24-26 | Arlington, TX |
| August 26-28 | Pleasant Hill, CA (East Bay) |
| October 14-16 | McLean, VA |
| December 9-11 | Sherman Oaks, CA |

3-Day Accelerated Cutting Evolution

After the wealth of information in Contemporary Cutting Foundations comes an abundance of creativity. Expand your imagination as you combine geometric shapes and techniques; integrate tools and product selection; and discover the theory, skills, and creative process (not specific haircuts) for building your own haircut collections – and a financially rewarding future!

| | |
|--------------|----------------|
| April 15-17 | Costa Mesa, CA |
| August 12-14 | Chicago, IL |

5-Day Contemporary Cutting Foundations and Accelerated Cutting Evolution

This course expands the foundational principles of technique, shape, and body position through evolutionary methods of cutting. Understand the phases of a successful haircut, suitability related to bone structure, and distinctions in texture, density, and formation as you cement your new skills into your mind and body with intensive, hands-on practice.

| | |
|----------------|------------------------------|
| May 20-24 | Pleasant Hill, CA (East Bay) |
| November 11-15 | Orlando, FL |

3-Day Contemporary Color Foundations

Experience beautiful, fun, salon-friendly techniques as you build a strong foundation for a successful hair color business. You'll learn expert foiling, placement, and formulation techniques to achieve consistently fabulous color that compliments any haircut and suits every salon guest, and then adapt those foundations to keep your techniques forever fashion-forward.

| | |
|--------------|------------------|
| February 5-7 | Dallas, TX |
| April 1-3 | McLean, VA |
| June 10-12 | Sherman Oaks, CA |
| August 5-7 | Costa Mesa, CA |
| October 7-9 | Chicago, IL |
| December 2-4 | Orlando, FL |

3-Day Accelerated Color Evolution

Becoming an expert in color placement lets you create a harmonious partnership and limitless opportunities between cut and color. In this hands-on experience of creative inspiration, you'll create a personalized dimensional color technique from conception to finished design and develop quick, male-compatible techniques that entice male guests to enjoy color.

| | |
|----------------|----------------|
| March 11-13 | Orlando, FL |
| November 11-13 | Costa Mesa, CA |

3-Day Contemporary Cut and Color Foundations

We all have heroes we want to emulate. This combination class introduces the language and discipline the masters use every day to work miracles. Strengthen your salon work by learning the cutting theory and design principles that lead to consistency, along with the color theory and techniques to turn your cut and color into a relationship of overall beauty.

| | |
|-----------|------------------|
| July 8-10 | Sherman Oaks, CA |
|-----------|------------------|

3-Day Accelerated Cut and Color Evolution

After learning the foundations of shape and color, you're ready to combine shapes and designs into original salon-ready styles. Discover the creative cutting tools, shape and balance techniques, disconnection and finishing skills, dimensional color placement, and new understanding of the male color market that will make you more creative and a leader in your market.

| | |
|--------------|------------------|
| August 19-21 | Sherman Oaks, CA |
|--------------|------------------|

3-Day Men's Haircutting

Male grooming and barbering is an art...and a moneymaker! Keep the art and business alive as you explore the crucial techniques, tools, and approaches to keep your male clientele looking their best. Learn clipper-over-comb, scissor-over-comb, and other valuable skills that will meet their needs and build your business. Designed for all stylists, at all levels.

| | |
|-----------------|----------------|
| March 18-20 | Chicago, IL |
| September 16-18 | Costa Mesa, CA |

3-Day Makeup

More intense than the basics, our 3-Day Makeup course takes you beyond the "how's" of makeup application and into the important "why's." When you understand the reasons and theory behind the techniques, you'll have the skills you need to produce the look you want. Increase your artistic skills and confidence as you learn to transform any face into a work of art.

| | |
|-----------------|------------------------------|
| March 4-6 | Pleasant Hill, CA (East Bay) |
| September 23-25 | Chicago, IL |
